One of the many ministries supported by your generous giving to Christ Fellowship Church!

Serving People in Need

Our low-barrier shelter provides a safe and secure temporary home for men, women, and children. Homelessness can happen to anyone, and we are here to help break down the barriers to permanent housing.

Reducing Food Insecurity

Making over 2,000 distributions of food each month, our pantry helps to feed local Cass County residents, who are among the 1 in 8 people in the U.S. who struggle to get enough to eat. None should ever feel ashamed about asking for help if you need it. **Just remember; YOU are not alone!**

Helping the Community

If you enjoy shopping for bargains at bargain prices, then the Emmaus Mission's Thrift Store is definitely for you. Many of our items are only a dollar. You can even pick up three items of clothing for \$1! Even better, everything you spend goes directly towards programs and services that make a positive impact in the lives of people in our local community; helping us help our neighbors in need. **Please drop by to see what we have to offer.**

CFC MEMBER SPOTLIGHT:

McKenzie Cosgray

MY NAME IS MCKENZIE COSGRAY. I was born in Danville, IL, but have lived in Monticello since I was about 3. Brad and Shari Moore are my parents and I have one sister, Stephanie, and a brother, Brian. I attended Twin Lakes High School followed by a year and a half at Taylor University. I transferred to Purdue University, where I received my bachelor's degree in psychology. While at Purdue, Alex and I started dating and were married in 2010. Upon graduation, I worked a few years as a school-based case manager in Delphi for Wabash Valley Alliance. After a brief attempt to get my nursing degree, I decided healthcare was not in my future and went to work for my parents at Monticello Ace Hardware. I worked for them for a little over 10 years gathering copious amounts of knowledge and experience before my brother and I officially took over this year. Alex and I have two boys, Colton (10) and Cooper (6). Fun fact: both my siblings and spouses along with their extended families as well as Alex's parents all live in Monticello/Idaville. We are so blessed to live so close to family. Our family has attended CFC since 2013. In 2023, I joined the finance committee and later became the church treasurer earlier this year. If you are still reading this, I will leave you with one of my favorite quotes, "Go the extra mile, it is never crowded."

FROM THE DESK OF PASTOR BOB

As I sat down to write this column, God placed a couple of things on my heart that I wanted to share with you.

But first I'm excited to announce that the second annual Community Worship Service/Fun Day will take place on Saturday, September 14 at Cosgray's Christmas Trees. Much more information will be coming out soon, but please circle that date on your calendar, and plan to join us. Last year's inaugural event was a big success, and we are looking forward to building off of that.

Recently we have seen several young people really step forward in the church. From doing the closing prayer, to filling in on the drums. God is moving in and through the youth. A special pat on the back to Arlo and Torie Eddy for their dedicated work with the CFC youth group. Don't forget to invite someone you know, to stop by for **5:48** on Sundays. The youth group is open to the entire community and not just CFC members.

It may be hard to believe, but we are closing in on the arrival of summer! This means vacations, outdoor activities, sporting events, special projects, and time away from school. While these are all important, scripture also challenges

us to make gathering together a priority. We are told in Hebrews 10:24-25 "And let us consider how we may spur one another on toward love and good deeds, not giving up meeting together, as some are in the habit of doing, but encouraging one another—and all the more as you see the Day approaching."

Scripture clearly tells us that gathering together is vital to encourage one another, to learn more about God's Word, and above all, to worship Him. Psalm 95:6 says "Come, let us bow down in worship, let us kneel before the Lord our Maker." Wherever you are, and whatever you decide to do, make worshiping Jesus a priority for you and your family; not just on Sundays, but every day.

That's not always easy to do. But Jesus never said walking with Him would be easy.

It breaks my heart to see the Body of Christ divided. It's clear, if we believe in an all-powerful, Sovereign God, that He does not make mistakes. His Word, which is our guide (from cover to cover), does not have gray areas. It is crystal clear about what is right and what is wrong. Yes, we are to love all people. And yes, because of that love,

we are obligated to point out sin to our brothers and sisters. (Matthew 18:15-20, Galatians 6:1).

Our world and many churches are choosing to interpret and change His perfect Word. That is wrong. As heartbroken as this has me, how does it sit with the Creator of the universe? Standing with Jesus will not be easy. In fact, Jesus Himself told us just that.

Jesus..... please unite the Body of Christ, in your name, and through the Truth that is clearly presented in the Word. Allow us to trust and not change the perfection You created. We trust Your plan and praise You..... in Jesus' name.

In Christ's Love.....*Pastor Bob*
